Form of opinion under sub section (1) of section 5 of the Madras Public Building (Licensing) Act 1965 (Madras Act 13 of the 1965 referred to in rule 5 of the Madras Public buildings (Licensing) Rules 1966)

I have inspected the building specified in the statement below and I have satisfied myself that the building is structurally sound to be used as a Public Building for the purpose specified in the statement subject to the following conditions.

- The building is designed for GF+2 Floors and Ground Floor and First floor has been completed.
- The structural stability of the structure has been assessed based on the structural designs, foundation details and soil report produced by the owner of the building.

The Structural soundness of the building has been verified based on the structural design given by the private chartered Engineer and loading conditions as per the latest Indian Standards 875. I am therefore of the opinion that a license may be granted for the period from 01.11.2024 to 31.10.2027
